

Membership Application

Get in Be Moved

Dear Miata Owner,

Hello! The Green Mountain Miata Club is one of many Miata clubs around the country and around the world. We are a diverse group of individuals that have been drawn together by the joy of driving a great little roadster and sharing good times with like-minded individuals. We invite you to look at our website and to join our club. We have people of diverse interests, from techies who like to tinker with their cars to those who enjoy nothing more than a Sunday drive on our beautiful Vermont roads. We are an easy group to get to know, and we warmly welcome new members. We hope you consider attending an event and joining our group.

Happy and safe driving,
Green Mountain Miata Club
